

Reach Institute for School Leadership Assessment Plan

The Reach Institute for School Leadership is committed to a multi-year assessment plan to evaluate both organizational and program effectiveness in meeting Institutional Goals and learning outcomes.

Assessment Cycles and Focus Areas

Year/Cycle	Institutional Goal #1 Develop highly effective teachers and instructional leaders to serve the diverse needs of students in partner schools and districts.	Institutional Goal #2 Create an innovative graduate school that embeds rigorous, relevant, applied learning in the school contexts of teachers and leaders.	Institutional Goal #3 Provide the educational community with a model for teacher and leadership development for ensuring equitable access and performance for all students.
